

# TRAIL Care CREW

The IMBA Canada Trail Care Crew is coming to the area to help improve your trail opportunities.

Join Chad and Deanne Lazaruk to learn how to design, build and maintain trails in a sustainable way.

*Learn to build natural-surface trails sustainably!*

## Saturday August 6<sup>th</sup>

Come take part in an IMBA Trail Building School, hosted by the Village of Memramcook, with support by the Fundy Biosphere and Sentier de l'Étoile.

Location: 9 am - noon: In-class session to learn the science of trail building, Memramcook Institute (488, Centrale St.).

Noon - 1 pm: Lunch.

1 - 4 pm: Test out the new techniques you've learned! Trail building off site.

For more information please contact Guy Gautreau ([ggautreau@memramcook.com](mailto:ggautreau@memramcook.com); 506-758-4105).

*Volunteers should come prepared with a brown bag lunch, snacks + water, long pants, gloves & closed toe shoes.*

*free  
workshop*
